

Subscription Fax Back Form SBI

Yes, I want to invest in a twelve month full membership to the SBI subscription service. Please send to me my complimentary Pepsoft "Measure Your Marketing" software package, valued @ RRP\$495, and enrol me in the book & tape program. Please include my business in the next printed edition of the SBI Business Directory, and update the website with my business advertisement. Also include me in the discounted marketing offers procured by way of bulk discount bargaining power.

SATISFACTION GUARANTEE: I understand that if I am not completely satisfied with this subscription, my subscription can be canceled at any time (30 days notice required) and monthly deductions will stop immediately, or if paid in advance, all expenses not incurred will be returned to me (less small administration fee).
